

		Semester 1		Semester 2	
		12 January to 20 March	30 March to 5 June	20 July to 24 September	5 October to 4 December
Nursery (N)		This is Me! We learn and play together, supporting one another as we explore and experience new things every day. Together, we are going to be learning about each other and people in our school community.	Ocean Treasures Have you ever wondered what you might find under the sea? We're going to be exploring the oceans of the world, investigating forests of swaying seaweed, and diving deep into the darkest depths, to find out more about all the amazing and beautiful animals that make the sea their home. Are we ready to take the plunge and see what we can find?	To The Rescue! Superheroes to the rescue! Superheroes are all around us, using their special super powers to help others in need. We're going to become heroes too, by making our own costumes and imagining the amazing and incredible powers we will use to help ourselves and other people around us. Lots of exciting new adventures await us as we explore and learn about the world of Superheroes!	Healthy Habits Our aim, as teachers and parents, is to nurture happy, capable and resilient children. Early childhood development and lifelong health are deeply intertwined, so it is never too early to focus on a child's personal and interpersonal skills that they will need, and will continue to develop, throughout their life.
		Going Places A journey can start at any time and take you to exciting places. We go on journeys every day, sometimes by car, sometimes by walking – perhaps we might go on a train, or an aeroplane, or a boat setting sail across the sea. There are many ways we can travel and many adventures we can have. Where would you like to go today?	Animal Rescuers We share our world with many different animals- from the pets that we might look after at home to the big wild animals we might see on television or in book. We are going to imagine we are travelling all around the world, to visit some very exciting places and meet the animals that live there. We're also going to help these animals to feel happy and safe. Some might even want to share some amazing stories with us! Are you ready to pack your bags for a fabulous adventure?	Weather Wonders Look out of the window What is the weather doing today? Will it be the same tomorrow on the day after that? Weather can change all the time. It can be raining, snowing, windy or sunny. There are lots of different types of weather and each one can make a big difference to what we can do, what we wear and even how we feel. Weather happens everywhere in the world and it's what makes where we live special.	Imagine That! An artist can be someone who likes to paint and draw, to imagine exciting adventures and fill their paper with colour and life. An artist can be someone who likes to build and make, to create models and sculptures that wow and amaze. An artist can be someone like you and me- we can all be artists, and make exciting things happen with our imagination and creatively. An artist can be someone who just likes to investigate and explore and express themselves.
